“WORLD’S BEST PREMIUM LABEL SOLUTIONS”

KILLER WHITE™, COLLOTYPE'S EXCLUSIVE UNCOATED LABEL STOCK LOOKS GREAT, AND HANDLES BEAUTIFULLY IN THE WET!

Killer White™

Not only is Killer White™ the whitest, brightest uncoated specialty paper available, Killer White SWP™ (Super Wet Performance) includes special water retardants to ensure superior ice bucket and fridge performance.

Killer White™ uses a specialised all purpose adhesive that performs brilliantly in any condition.

And when combined with Collotype's unique In Line Graining process, a whole realm of visual and tactile possibilities emerge. No wonder Killer White™ is the uncoated label stock of choice.
